## Make Plaster Bats that fit easily & securely on every wheel type!

1. Easily make a Lester PlasterBat® with USG #1 pottery plaster and the Lester PlasterBat Mold\*.

2. Install the Adjustable Bat Pins\* in the existing bat pin holes so they precisely align with the PlasterBat's wear sleeves.

3. Align the large holes in the PlasterBat with the large Adjustable Bat Pins, and securely attach the PlasterBat to the wheel.

4. Throw a pot on the PlasterBat's hard, smooth surface. Apply as much force as you wish.
